WAR MOTORCYCLES IN PARADE.

Side Car Machine Guns Feature Preparedness Pageant.

In a recent preparedness parade in one of the largest cities in the Middle West, the leading feature consisted of three Excelsior motorcycles equipped with side-car machine guns, also three Red Cross ambulances.

The general belief throughout the country is that in case we should need these outfits for active service, the Excelsior motorcycle and side-car attachments will be the first to be used, as the Excelsior has proven itself to be the most durable motor on the border, doing hard, rough service. This is due to the fact that the Excelsior side car can be attached or detached in a few minutes, because the sockets for the side car are a part of the motorcycle, and when coupled together it is impossible for the two to be other than in perfect line.

## Don't Poison Baby.

**FORTY YEARS AGO** almost every mother thought her child must have PAREGORIC or laudanum to make it sleep. These drugs will produce sleep, and A FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody without labelling them "poison." The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrups," etc. You should not permit any medicine to be given to your children without you or your physician know of what it is composed. **CASTORIA DOES NOT CONTAIN NARCOTICS**, if it bears the signature of Chas. H. Fletcher.

## HOROSCOPE.

Monday, March 19, 1917.

This is read as a most unfortunate day, since Jupiter and Neptune are in strongly malefic aspect, while Mercury, Venus, and Mars are slightly adverse.

Commercial enterprises of all sorts are subject to an unlucky way, making for heavy losses, through fraud as well as bad business conditions.

Bankers and brokers have a leading making for caution in all transactions, especially those that concern manufacturing and exporting to South America.

Aspiration relating to modern education is likely to occupy much space in the public prints in the next few weeks.

This is not a promising rule for professors or teachers, who may find it necessary to combat vagaries in the minds of pupils. Under Neptune many strange fallacies find acceptance, especially in the minds of the young.

The day is not a lucky one for new plays or first appearances of actors and singers.

Mars presages a war excitement that will merely increase public anxiety for a brief time.

Foreign visitors of distinguished rank will be numerous in the next few weeks, and a tragedy with unfortunate international complications is predicted.

Construction on railways and highways may be impeded during this rule of the stars, but much activity is foreshadowed for all parts of the United States.

Widespread interest in faith-healing will extend to many churches in Canada as well as the United States, the seeds predict.

Women are warned that they may arouse national resentment by a mistake in policy connected with war relief work.

Next month brings a sinister sign. Fame for a soothsayer who will prophesy concerning some great event in the United States is foretold.

Race riots in the West are indicated.

## HOTEL CLERK IN BAD WAY

Tells How Vinol Restored Health and Energy.

Shelbyville, Ind.—"I am a clerk in a hotel and was all run down, no energy, my blood was poor and my face covered with pimples. I got so weak I had to put up an awful fight to keep at work. After taking many other remedies without benefit, Vinol has restored my health and strength."

Roy F. Bird.

There is no secret about Vinol. It derives its power to build up the overworked, broken-down, nervous system from beef and cod liver peptones, iron and manganese peptones, and glycerophosphates, which it contains.

For weak, run-down conditions and to regain strength after sickness there is nothing better.

We will return your money if Vinol fails to benefit you.

and these may assume a serious aspect.

Persons whose birthdate it is should not quarrel or go to law in the coming year. Speculation will be unfortunate.

Children born on this day may be inclined to be careless and extravagant. These boys and girls born on the cusp of Pisces and Aries usually have complex natures difficult to deal with.

## NURSE HAD POOR HEALTH

Suffered Much Pain, Yet Had to Work. Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Toledo, Ohio.—"I am a widow and go out nursing, and suffered from a female trouble that caused a great deal of soreness across my back, and through my abdomen. Sometimes it would be very painful after a hard day's work. I read about Lydia E. Pinkham's Vegetable Compound and tried it and it has helped me wonderfully, so the soreness is all gone now. I believe Lydia E. Pinkham's Vegetable Compound is just the remedy for female troubles."

Mrs. ELIZABETH JOHN, R. F. D. No. 4, Toledo, Ohio.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today is regarded as the most successful remedy for female ills. There are thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., to prove this fact.
